

ALL SAINTS' CE PRIMARY SCHOOL NEWSLETTER 25th May 2023

Congratulations to our Year 6s and Year 2s on completing their SATS. You should all be very proud of yourselves and have worked exceptionally hard in your preparations. Well Done!!

Parent Governor Election — thank you to all parents who voted and thank you to our two candidates for putting themselves forward. It was a close contest, with just a few votes separating the two. However, we are pleased to welcome Anne-Marie Hall to the governing body.

Stop UK Hunger

The Trussell Trust supports a nationwide network of food banks that provide emergency food and support to people facing hardship, and campaign for change to end the need for food banks in the UK.

Caitlyn is currently a brown belt in Karate and she trains with her club frequently. She also regularly competes in fighting and Kata tournaments. Last weekend, she qualified to represent the England squad at a competition later in the year. What a fantastic achievement!

IMPORTANT : LUNCH SHOP IS CHANGING
From Wednesday 7th June it will become School Hub

Look out for the letter being sent home on Friday

Year 4 had a lovely residential to Grasmere. Activities included: Haverthwaite Railway Museum, Lakeside Aquarium and a Lake Cruise on Windermere. On day 2, the children walked up Easedale Tarn and enjoyed the park in the evening. Day 3 was a Forest School day set in St. Catherine's Wood. The children were superb throughout. Well done, Year 4.

This week Year 3 have been enjoying their annual residential to St John's in the Vale, Keswick. We stayed for 2 nights at the Youth Hostel in the Vale. First day, we went to the Lake District Wildlife Park - we saw lemurs, red pandas, and alpacas with interesting talks about the meerkats and birds of prey demonstration.

Thank you to the mums who came to cook for us - we especially enjoyed the brownie by Jack's mum. On the last day we went to the Castle Rigg Stone Circle and Rookery Woods obstacle course and orienteering.

We have had a fantastic residential, the sun shone and year 3 have been such good ambassadors for our school; every member of the public we chatted to commented how polite and well-mannered we all were - and how lovely it was to see us playing and having fun.

Well done Year 3 and happy half term.

Some children from Year One and Two represented the school at a football competition. They had an amazing time and enjoyed every second, showing great team spirit. Well done everyone!

We have had a successful orienteering season. So far, we have taken part in 5 league events. All the children have been great ambassadors for the school. The orienteering takes advantage of our locality, taking place in picturesque locations. This year we hosted an event within the school's grounds.

Orienteering is open to all children in Years 5 and 6.

Wildflower Seeds

As part of the King's Coronation Celebrations we have been given wildflower seeds. These will be planted by Year 4 and Year 1 during their Forest School lessons. The annual wildflowers will provide food for a wide range of insects, including bees and butterflies. They include Corn chamomile, Corn marigold, Corncockle, Cornflower, Corn poppy and Night-flowering catchfly. It will be lovely to see them grow over the years to come. Starting our journey to biodiversity.
